Dear Michael,

On behalf of the Admission Committee of the Rabb School of Continuing Studies, Division of Graduate Professional Studies, we wish to offer you conditional acceptance to the Master of Science in Bioinformatics program at Brandeis University.

To qualify for full acceptance into the program, it will be necessary that you complete with a B- or better in two of the program's required courses.

We hope that you will decide to pursue your graduate studies at Brandeis University. We are confident that Brandeis, by virtue of its size and its vibrant intellectual atmosphere, has much to offer you. Your selection constitutes recognition on our part that you have much to contribute to Brandeis as well.

In order to be eligible to graduate, you will be required to successfully complete all degree requirements with a B- or better in four years from your initial course enrollment.

An acceptance packet has been placed in the mail for you, including a copy of this letter. If you have any questions or concerns about the required courses, the materials in your packet, or wish to defer your acceptance term, please contact your student advisor, Paris Mansoor, directly at [pmansoor@brandeis.edu](mailto:pmansoor@brandeis.edu) or 781-736-8733.

Please respond to our offer of acceptance within two weeks by completing the [Offer of Acceptance form](#).

I wish you every success in your studies.

Sincerely yours,

Monica M. Moore, Ed.D.  
Executive Director  
Graduate Professional Studies  
Brandeis University
